HEALTH & SAFETY POLICY

It is Ramseyer Earth Work's policy to perform work in the absolute safest manner possible and in accordance with the "Green Book" – the *Occupational Health and Safety Act and Regulations for Construction Projects*.

Protecting employees from workplace injury and disease is our major continuing objective. All employees will be provided with the information and instruction to protect their health and safety.

All employees must work in compliance with health and safety legislation and with the practices and procedures spelled out by Ramseyer Earth Works.

No job is to be regarded so urgent that time cannot be taken to do it in a safe manner. The welfare of the individual is our greatest concern.

It is in the best interest of all parties to consider accident prevention in every activity. Commitment to health and safety must form an integral part of our company.

Compliance with health and safety procedures will be regularly reviewed. Violations will be recorded and addressed.

Ramseyer Earth Works is dedicated to do everything possible to help ensure that all employees enjoy a safe and productive workplace and future.
